

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates.

We cannot participate in our democracy(which is diminishing rapidly) with access to varied views. Putting the media into only a few corporate hands will only give us , the general population, a very restricted view of the world and its issues. Lets keep diversity in the media.
